

Do you assign LEVEL numbers other than the default of 00 to any Dataset or General Resource profiles?

Responses	Count	Percent %
Yes	6	28.6%
No	15	71.4%
Total	21	100%

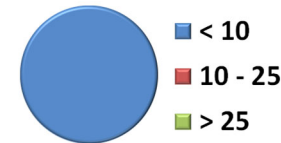

On approximately how many Dataset profiles do you assign non-00 LEVEL numbers?

Responses	Count	Percent %
None	1	20%
Less than 100	2	40%
100 – 500	0	0%
Over 500	2	40%
Total	5	100%

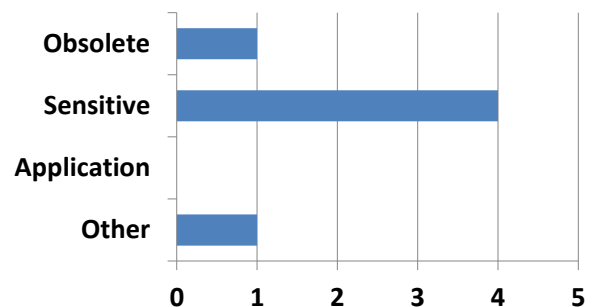

About how many different non-00 LEVEL numbers do you assign to Dataset profiles?

Responses	Count	Percent %
Less than 10	4	100%
10 - 25	0	0%
Over 25	0	0%
Total	4	100%

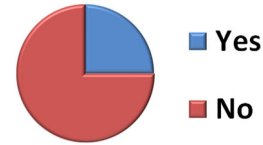

For what purposes do you assign non-00 LEVEL numbers to Dataset profiles? What do the various numbers signify?

Responses	Count	Percent %
Flag profiles that might be obsolete, perhaps in combination with AUDIT(ALL)	1	20%
Flag profiles protecting sensitive datasets (e.g., APF)	4	100%
Flag profiles related to a specific application	0	0%
Other: • To flag DATASET profiles that were defined for a specific purpose.	1	25%
Total	4	

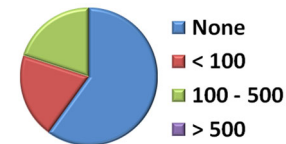

Do you use the non-00 LEVEL numbers as an SMF record selection criteria for generating reports on Dataset profiles meriting additional oversight?

Responses	Count	Percent %
Yes	1	25%
No	3	75%
Total	4	100%

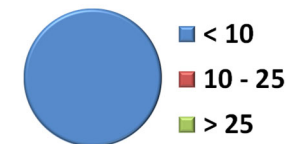

On approximately how many General Resource profiles do you assign non-00 LEVEL numbers?

Responses	Count	Percent %
None	3	60%
Less than 100	1	20%
100 – 500	1	20%
Over 500	0	0%
Total	5	100%

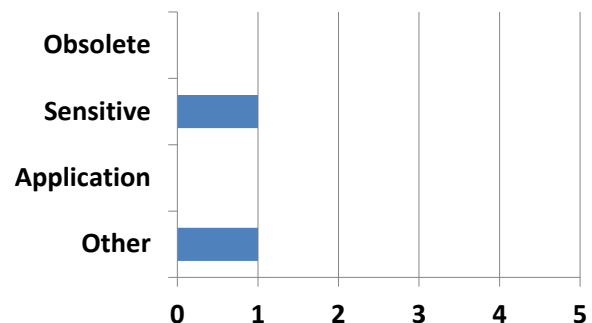

About how many different non-00 LEVEL numbers do you assign to General Resource profiles?

Responses	Count	Percent %
Less than 10	2	100%
10 - 25	0	0%
Over 25	0	0%
Total	2	100%

For what purposes do you assign non-00 LEVEL numbers to General Resource profiles? What do the various numbers signify?

Responses	Count	Percent %
Flag profiles that might be obsolete, perhaps in combination with AUDIT(ALL)	0	0%
Flag profiles protecting sensitive resources (e.g., OPERCMDS MVS.SETPROG)	1	50%
Flag profiles related to a specific application	0	0%
Other: • zSecure Command Verifier configuration	1	50%
Total	2	

Do you use the non-00 LEVEL numbers as an SMF record selection criteria for generating reports on General Resource profiles meriting additional oversight?

Responses	Count	Percent %
Yes	1	50%
No	1	50%
Total	2	100%
